This fee is paid per child and covers all sport, excursions, incursions, photocopying, books, paper, art equipment and special events attended by the children. We constantly upgrade hardware, wireless capacity, software and other technology.

**Maintenance Fee        \$300**

This fee is paid per family and covers the ongoing maintenance of the buildings and grounds.

**Camp Fee**

This fee covers the cost of camps. All students are expected to attend a camp as part of the curriculum. The fee is payable by all families whether or not children attend. This is due to the fact that camps and activities are booked the prior year and costs are based on the number of children in grades. Camp fee must be paid prior to child attending the camp.
